

**Amphill & District Archaeological & Local History Society
Celebrity Lunch**

12.00 Noon Saturday 13th January 2018
Millbrook New Village Hall, Sandhill Close, MK45 2JD.

We continue our Celebrity Lunch series this year, using the same premises and caterer whose superb food has helped to make these events so successful.

Mulled wine and a hot lunch followed by an illustrated talk:

Dr. Ian Brown

Dr Brown from Oxford University is an expert on Iron Age Hillforts, he led an extensive survey on hillforts and is the author of *Beacons in the landscape. The hillforts of England and Wales*. His work is of special interest for us as he followed up the work carried out by our own James Dyer in the 1960's on Ravensburgh Castle. James never managed to write it up in its entirety but it is well known through the popular guide books he produced.

Cost for the Day £20.00

Please Reply to Mike Turner ASAP

Please reserve me ticket/s for the ADALHS Celebrity Lunch on 13th January 2018 at Millbrook New Village Hall, Sandhill Close, MK45 2JD.

I enclose a cheque for £.....

Special dietary requirements.....

Cheque to be made out to ADALHS
